QR Code Link to This Post Aloha, I'm looking for someone who is a quick learner, needs part time work and works efficiently with a computer.

I have an online business that I run from home, and am in need of someone that will take photos of my inventory, list them on my website as well as other computer related tasks.

You will be working from my home office at the kapolei lofts on some days and other days we can work next to the pool at my apartments facility. I am looking for someone that I get along with more than I am someone with this type of experience, so if this sounds like something you are interested in don't hesitate to apply.

Pay is negotiable and hours are also flexible. Also, If you live at or near the kapolei lofts then this will work out great for the both of us!

Please send me a resume and/or a brief message about yourself to the email above.

Or call or text me to schedule a phone interview.
