QR Code Link to This Post This is a kiosk that was used as a coffee buissness, but can have many different uses make it a snocones stand / coffee cart / food cart / etc etc was \$8000 when purchased new by bridge indrusties in Seattle Washington, it has a under counter beverage air fridge , also has a hand sink built it , it will come with a portable 3compartment sink , glass star food warmer , deep well food warmer (no pans) cash registers (2) and some plastic display cases that was used for pastries , this is a steal for \$3000 and I will entertain any reasonable offer , thanks ! It's 7 and 1/2 feet long with colaspable ends that can be took on or off to make it 10
