QR Code Link to This Post About a month old Samsung Galaxy Note 8 Verizon prepaid in mint condition. Comes with all original accessories: headphones, cable/block, data transfer block, also includes otter box and has a \$50 glass screen protector on it that does have a small hairline crack at the top but I will be more than glad to pull the screen protector off if seriously interested in buying to show it's the screen protector NOT the phone that has the crack. Phone itself is in mint condition and has been kept in otter box and screen protector since the minute I bought it. Serious inquires only I hate to get rid of it bc I love the phone and just got it but my truck broke down and am needing a down payment for another vehicle. \$800
