Vintage Cateye CC (6000 USD)

Location Indiana https://www.genclassifieds.com/x-765321-z

QR Code Link to This Post I'm selling an older model "Cateye Micro CycloComputer Model CC-6000" which I believe has never been used and is in the original box. It still has the original "new price sticker" of \$64.95.

Features include 7 functions: Current speed and Cadence displayed on the Upper Line, and Maximum Speed / Odometer/ Trip Distance / Average Speed / Elapsed Time displayed on the Lower Line.

I have not checked whether there is a battery installed or not. First \$35 cash. Located near Greenwood High School, in.
