QR Code Link to This Post Year: 2002

Make: Dodge
Model: Ram 1500 4WD
Engine: 4.7L V8
Trans: Auto

Extra Features:

Tilt Steering column, sliding back window, cruise control, CD player, Spray in bed liner, tool box, trailer hitch, towing package

Recent maintenance:

Tires, brake pads/rotors all around, Driver's side ball joints, underhood fuse box replaced with upgraded factory unit

Negatives:

The plastic dash has cracked in a couple of spots, and the bedsides are developing some rust above the rear wheels. Both are common for this year/model. The AC system has a leak, so it doesn't hold refrigerant very long. We just roll the windows down.

This is a great truck, but it no longer meets the needs of our family, so it's time to let someone else have it before the snow falls. It's very solid mechanically, and has been well cared for. Be ready for winter with this V8, 4WD truck! Selling below KBB! Cash only. Thanks, but no.
