QR Code Link to This Post Are you curious about tiny living? Are you intrigued by the tiny house shows on TV? Here is your opportunity to try it out for a month or two. This beautiful, fully-furnished and equipped tiny house is situated on private property facing an empty field. It is rustic on the outside and modern on the inside. It has its own private yard. We will be renting it out short term from January 7- March 6, 2018. \$1350 per month includes utilities! (Water, power, trash all included. WiFi unavailable in tiny house.) Located on Boise's "bench," only a 5-minute drive to downtown or the river. There is so much to do and see close!
