QR Code Link to This Post This lunatic couldn't run a dildo factory in a whorehouse. All this guy does is nothing but lies and now he is getting All Shook Up as the law is closing in on him! Look at his speech yesterday he could hardly speak at all... Apparently, a stroke May soon be approaching!!! He is losing his Riff Raff connections one by one as Muller doing a great job! God bless Robert Muller! One fish at a time is being removed as they start to stink, all the way up to the big 72 year old stinking.
