Rural zoning (5 acre): duplex requires (7 acres)

Be yourself, Be creative!

Give yourself the OPTION to be creative : selling 5 acres in the future (five years from now) to recoup the cost of your investment: ( even build a second duplex now );  
Pay off your home quickly: or simply have an extra House lot in your pocket for your retirement plan: give land to your children...

Serious inquiries only PLEASE because time is valuable to both of us.

Good luck. I hope you become my neighbor.
