QR Code Link to This Post Hi my name is Angelo, I am the father of 2 boys. Angelo is 16 and Michael is 11.Â Currently I have been out of work for just about 3 years now. Not that I don't want to work, but that I can't work do to my disabilities, I have Osteogenesis Imperfecta which is a rare bone disease, I also have severe osteoarthritis and osteoporosis and within the last couple of months they diagnoesed me with Rheumatoid Arthritis, which has been flaring up like crazy.Â I normally won't do anything like this, asking for help, but I really need some. Currently I have both SSDI and SSI applications in and I have a laywer handling my cases, but the government takes there time processing everything.Â I do receive food stamps and general assistance but that doesn't leave any room for Christmas gifts. I also had to move back into my mother's home because I couldn't afford my townhome anymore. Like I said Angelo is 16 and into anything a normal teenager is into, he isn't picky at all. He could always use clothes and sneakers, gift cards to any stores are great. Michael is 11 and is into Minecraft and anything Marvel (SpiderMan, Hulk, etc..) and also could use new clothes and sneakers.. Anything you can give would be greatly appreciated.. Thank you for taking the time to read this..
