On behalf of the dog before you, THANK YOU for your consideration. If you can foster, foster for free and you will have the opportunity to adopt it or be a long term foster for a life... Please contact rescue groups for more info about fostering

From the ACC site: To help ensure successful adoptions, please fill out a pre-adoption application (<http://www.nycacc.org/pdfs/adoptions/AdoptionApplication.pdf>) and bring it with you when you come into the Care Center to adopt a pet. If you are coming from outside of the immediate area, it is strongly suggest that you first complete an application and mail it to adoption@nycacc.org - this will allow ACC to answer any questions and resolve any potential obstacles before you make the trip.

This dog is located at Animal Care and Control, I am not affiliated with them and I cannot 'hold' or pull any dog...I am simply trying to help give them the 2nd chance they
