QR Code Link to This Post I am 5' 7" and not wearing heels in these photos but when I put on two inch heels it hit the floor just perfect. SO many compliments on this dress. Several people told me it was the prettiest they'd ever seen. Different from the average!! Definitely favorite dress ever and sad that I can't wear it again. These photos don't do it justice, modest, zip back, beautiful beading. Perfect condition, worn.
