QR Code Link to This Post Hello my name is Alease I am 26 years old and I reside in Columbia SC. I have been working in childcare for 7 Years I love and enjoy working with children of all ages. I believe the young stages of a child's life are the most critical stages when learning is the most important. I believe in learning through play and doing alot of different art and crafts with your children.

I will also teach them their ABC's, Colors, Shapes and numbers and we will also touch on some Spanish.

I do have alot of experience doing home daycare as ive been doing my home daycare now for 7 years now im a mother as well I have one child ive been a mother going on 12 years now so no need to worry your little ones are in great hands

I am accepting children from age 6weeks - 5 years old
