

Vicks Humidifier (10 USD)

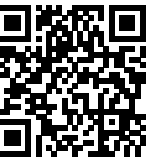

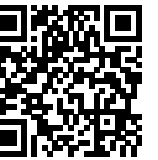

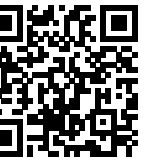

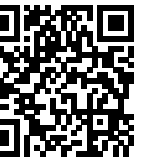

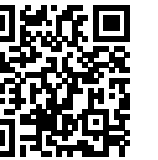

Location **Utah**
<https://www.genclassifieds.com/x-768078-z>

QR Code Link to This Post I have THREE of these Vick's Humidifiers available for purchase. (only one manual) \$10 each, \$25 for all 3.

All three need to be cleaned and need new filters (they can be purchased at walmart), all work perfectly. Night light option in top of each machine. We just don't use them any more.

Must meet in or around.
