 [This] place was amazing! Perfectly comfortable and just how it was pictured. I got the pleasure of being greeted by her and she was very courteous. The best Airbnb I've stayed at in Milwaukee.

[This] home was one of the best homes that I have had the privilege of staying in. It was very quiet and spacious. VERY COMFORTABLE! I just loved my stay there. The neighbor who lives upstairs was very kind and helpful. She had plenty of linens and many pots and pans where I could do my own cooking including mixing bowls and cutting knives. She had a basket of snacks left out for me and many cold drinks in the refrigerator as well. If I could, I would give this place 10 stars. I hope to stay here again the next time I return to the area.

We stayed three nights and were very pleased with the experience, the house was wonderful, it was just what we needed, very quiet and comfortable. Communication was great, access was very easy and I would definitely use her again if going to the Milwaukee area.
