QR Code Link to This Post I need a competent cleaning person who is available on short notice and is a good cleaner. I pay cash. Ten per hour. The jobs aren't that long, but it's a lil pocket change for you if you're interested. If you try to run the clock I will let you go immediately. You must look professional and can't smoke on my jobs either. You need to OWN a car and you need a black pair of pants and a solid black shirt to work.
