QR Code Link to This Post Hi! We are Helena and Andreas and we live in London, England. We've been married for ten years and are looking forward to welcoming a child into our lives through adoption. We've completed a home study and are approved to adopt from the USA. Helena is American and we have many friends and close family members in the USA.

If you or someone you know is pregnant and considering an adoption plan, please consider us. We promise to provide a stable, loving and joyful home for your child. We'd be happy to share more info with you. Please get in touch via our lawyer in NY, (He's very nice!) Michael S. Goldstein, toll free at or email at

We also have a website: <https://andreashelena.wixsite.com/adopt>

We hope to hear from you soon.
