I have a Goldendoodle that need a good home. They can be split up though they would be devastated without each other. They were my sons dogs and I ended up with them after my child passed away. email me with any questions or meet the pups. They are both very sweet and house trained. They are a little nervous around small kids that are rambunctious but great with older kids. Goldendoodleg ARE around 12weeks old

I have 2 Goldendoodle puppy's left.

Akc Puppies.
