QR Code Link to This Post We (me and wife) looking for a Surrogate to bear a child.
Should be in their 20s, clean criminal free history, no smoking, no drugs ever, responsible and preferably holding a job.

I am looking for a traditional surrogacy. Pls do search on internet if you are not certain what a traditional surrogacy is!

Pls respond back if you are interested . Write a short description about you, what do you do work wise, where you live , age, kids , couple of pics, current marital status and a contact information preferably an email or phone contact.
Craigslist does not always deliver emails. so include a personal email ID.

I would respond to all serious inquiries with a contact information.

!! Pls do not respond out of curiosity or if you are not sure you want to do!!
