Our superb location! One Alliance Center Atlanta business center is situated in the heart of downtown Buckhead, an area known for its proximity. As you can see, the business center is located in a stylish glass building affording amazing views, with a car and gym on site. Transport links are great only ten minutes north of the central business district, downtown, 25 minutes from the airport and directly accessible off the interstate. The Buckhead MARTA (Metropolitan Atlanta Rapid Transit Authority) rail station, with its free shuttle service, is another handy option. The best restaurants and hotels are close at hand too, thanks to the city centers proximity. And, if you or your clients wanted to shop, Buckhead has the highest concentration of upscale boutiques in the US. Top attractions for Martin Luther King Jr's home town include the worlds largest aquarium and the unique Center for Puppetry Arts.
