This is a perfect fun gig for either a curious girl or an experienced girl.

Pay is scaled to how hard you are spanked. \$150 for mild \$200 for medium and \$250 for hard

Takes place in a very safe setting in an upscale area.

The tone is fun and lighthearted, very respectful and chill.

Feel free to tell me in your response why you are curious about or like being spanked.

Please send a photo that shows your figure from behind. Include your contact info for best response.

This is a great way to earn a lil extra cash while having a fun time. Usually lasts 60-90 min including breaks.

420 friendly. No cig smokers or hard drug users please. Please be fit and healthy like me.

I prefer toned bodies over softer ones. Petite, lean with a tight little behind to the front of the line.

Have a great day and happy gig =)
