QR Code Link to This Post If you are one of the many people who has a binge eating disorder (BED) you may feel embarrassment and/or guilt after eating an excessive amount of food in a short period of time.

If you are between the ages of 18-55 and have AT LEAST 3 or 4 binge eating episodes per week, you may be eligible to be a part of a paid medical research study exploring new treatment. Feel free to contact our study recruiter for more information, .
