QR Code Link to This Post I am liquidating my collection of unique furniture, paintings and art. I have two of these stunningly beautiful chairs that were designed by Architect Frank Gehry and produced and sold by Knoll. (above photos are borrowed from the knoll site)

The Gehry Crosscheck chair is a must have for lovers of museum worthy furniture design. Add to your collection or start one today! With a retail price of over \$4100 that you can verify at knoll.com, i'm selling one or both of mine for a fraction of that.

The chairs are embossed with the Knoll logo and signed by Frank Gehry.

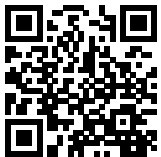

Dimensions: 28 1/2"W x 25"D x 33 3/4"H Seat height: 18 1/8" Arm height 28 1/4" weight 12 lbs.

My chairs are in luke new condition...will sell one for \$525 or both for \$1000...an absolute bargain and steal! CASH ONLY. Thanks for.
