QR Code Link to This Post I have for sale a set of trd off-road Wheels and Tires with 1500 miles on them off of a 2017 tacoma. They are basically brand new. I recently put a new set on after I lifted the truck and no longer need these. The tires are Goodyear wranglers with the Kevlar reinforced sidewalls 265/70r16 and the wheels are 16" with 6x139.7 or 6x5.5 lug pattern. Please contact me at with any questions you may have.
