Labor rates are always going up and up. my goal is to keep costs low for the average Joe. My Install rates are 1some of the lowest in town. prices are always negotiable. no job too big or too small. Need an entryway? OR an entire house? Experienced flooring installer in search of floors that need TLC. My business is up and running and would like to show my talent to the world. I have references and pictures from my portfolio and I have very competitive rates! I have been mastering the art of subfloor prep because you can't have a good floor without good prep work!! I specialize in carpet, vinyl, linoleum, laminate, and luxury vinyl plank call me anytime. Thanks for your time and business
