Our guests love our place because it feels like home! Look out the wrap-around windows to the mountain views and then walk downstairs in your slippers for a breakfast at the new European-style cafe! Or stroll to Main Street's fine eateries, watering holes, and shops.

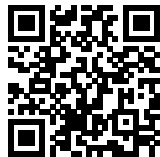

Our well cared-for condo has fine linens, down comforters and a full kitchen! With almost 900 square feet, you will have room to stretch out. Plus, you will be close to the express bus stop to Breckenridge & Copper Mountain. Includes ASSIGNED, off-street parking, and tub/shower. The Fourth and Main complex is cozy (4 units) with outside hot-tub and patio.

And now we have FREE HIGH SPEED INTERNET in the condo (with WiFi and/or Cat 5 cable connectivity!)

Frisco is a great place for winter or summer sports. It is centrally located to many Colorado resorts: 8 miles to Copper Mountain, 11 miles to Breckenridge (express bus service available), 12 miles to Keystone, 17 miles to Arapahoe Basin and 25 miles (freeway) to Vail. There are two cross-country ski areas nearby.

For summer, you'll like the proximity to the bike path (3 blocks), Lake Dillon, great hiking, and some of the best mountain biking around. Of course, there are great rivers for kayaking, fishing.
