

## 3000 1br (10522 USD)

Location **California** https://www.genclassifieds.com/x-769367-z

QR Code Link to This Post Our unique floor plans include washer and dryer, fully furnished kitchen with stainless steel package, Caesar Stone counter tops, and many more great updates. Union Lofts consists of 92 apartments that blend the comfort of residential living with live/work space options.

Resident's services include a 24 hour concierge service and access to our exclusive rooftop lounge with complimentary high-speed Wi-Fi - the spacious rooftop deck includes a lounge area with a BBQ, fireplace, picnic tables, including a plasma television and fitness room for you to work out or just relax and enjoy with breathtaking views of Downtown Los Angeles.

Union Lofts is centrally located, and conveniently just a block away from the new Whole Foods Market, several shopping & dining options. The exciting development is changing dramatically and the future of downtown is fascinating.

If you've fallen in love and want to set an appointment we will be more than happy to tour with you. I look forward to hearing from you.
