  Keep your pet safe from the road or from bothering your neighbors with an underground Petsafe dog fence , once installed completely invisible and a fraction of the cost of a regular fence.

  Using top of the line Petsafe equipment, I can install a hidden fence system in your yard for $599 , this is anything under 1/3 acre (in town or subdivision size lot) , comes with 1 collar
  $699 for up to an acre
  $799 for up to 2 acres
  $899 for up to 3 acres
  $999 for up to 4 acres
  Can do up to 25 acres
  Extra collars are $80 (first collar provided with system)

  Once the system is installed and adjusted, I will spend some time with you and your pet to insure a proper introduction for your dog and also pass some on helpful lessons on how you can train your pet safely and efficiently , along with leaving behind a detailed training manual

 *Top of the line "Stubborn Dog" Petsafe system installed (other systems and brands available)
  *Premium 18 gauge Contractor grade wire used (Much thicker and much stronger then what comes in the "do it yourself" kits, lasts for years, Any size available for extra cost)
  *Have small or large dogs ? Our system will accommodate correctly all dogs on the right with collars
  *Comes with a 1 year equipment warranty (Register with your home), and then 4 more years of warranty with a $99 flat rate (Fixed no matter the problem)
  *Cash or check accepted (No cards)
  *Registered Business Fully Insured Proof of Insurance available upon request
  *Over 1000 Systems installed
  *Wire reburials on existing systems available

  I will come to you anywhere in Alabama or Georgia

**Texting is usually fastest because I'm in and out of the truck working all day, but feel free to call or message me here on Craigslist email, I cover a large work area so call soon for a quicker installation , I understand this is Craigslist so I like to mention that I am not a scammer of any kind , I will not ask for any type of payment from you until the work is complete, And I am committed to honoring my warranty , although its very seldom needed due to quality work and materials.

** I work at people's homes on and off all day so if by chance I don't answer please leave a voicemail, if I'm out of service range I may never know you called if you don't leave voicemail , thanks !! Wiretech llc is also an authorized Directv.
