I'm on here kind of as a last resort seeing if anyone wants to share knowledge resources with me...

Does anyone know of a social service organization on the kansas side that assists families with heating needs, as in getting a replacement furnace, getting the fireplace up and running, or space heaters? Not an organization that assists with bill paying. That's not the issue.

Anyways, I'm just asking for an organization name, and cannot divulge any private details of the family in question on cl.
