Welcome the New Year! Getting ready for your child to attend full-time or part-time at a small school setting? Preparing for preschool can be difficult. Transition with us! We can help your child develop and grow from infant to toddlers. Our small school setting allows us to provide additional attention to each individual child.

We have full time care for toddlers and infants, and we also provide drop-in care for the busy holiday season!

We are a family daycare that provides and early start for your pre-school or kindergarten child!

We have indoor and outdoor activities, activities varies day to day, however, we do crafts, exercises, reading, sing-a-longs, and etc. We take our children on field trips including to the local park and local library.

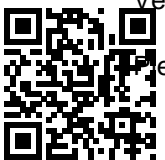

Our day consists with learning the alphabets to the xylophones and everything in between.

Our monthly themes curriculum includes academics, sciences, music, story time, arts and crafts. We also take field trips to places associated with our lessons! Such as the zoo, Exploratorium, and pumpkin patch!
