Looking for motivated woman (ages 18-30) looking to start earning \$1000 per week in the next few days within our agency.

If that sounds too good to be true it isn't. There are a lot of scams out there as you know, this isn't one. This is a great opportunity don't let it pass you by. It starts with a simple text or a phone call.

Here is what we need from you. Be prepared to send a photo of yourself (Your appearance is going to be very important working with us.) When you contact us we will want to have a very short conversation with you on the phone. Then we will set a time and place for us to meet and talk some where very public like a restaurant. If all goes well you will start working with us as soon as a couple days from now.

If we sound organized and structured, that's because we are. We are the most popular, most trusted escort service in the area.

Call us now. You will get our voice message. Leave a message and we will return your call usually in.
