Features

Be the first to call this newly constructed two bedroom, two bathroom residence home! Centrally located on a tree lined street in Charlestown's famed Gas light neighborhood. The layout features an open concept living space and high ceilings beaming with natural light. With high-end finishes, white oak flooring, and exposed brick throughout. The chef's kitchen is beautifully designed with white quartz counter tops, solid white cabinetry with soft closure mechanisms, a glass tiled back splash, stainless steel appliances, and an island with bar seating. The master bedroom has a custom walk in closet and spa-inspired bathroom with a white Carrara marble double vanity, a frame less glass shower door and fan with Bluetooth capability. Comparable size second bedroom and full bath. Additional amenities include Nest thermostats, in unit washer and dryer and plenty of storage! Available for a 11/1 Move in Date.
