QR Code Link to This Post Selling my 2003 Savana 1 ton van with 6.0 4I80e, has 221k miles. Runs and drives great, I have taken it on many 3+ hour away trips this year. Has good tires, backup camera, hitch and wiring for brake controller. Paint is peeling in places so it won't win a beauty contest but it is very reliable. Selling as bought a truck and getting an enclosed.
