If you're applying for the promotions position please send:

Headshot / Picture
Brief bio about you and your background
Rate that you're looking for.

If you're applying for the marketing position please send:

A brief bio on you What you have done marketing related (samples would be perfect) What you're looking for hourly or per two week basis.

I do want to start this stuff right away, some of the stuff is ready to go others are still being put together.

Not picky on backgrounds as long as you can do the work.
