We are looking for a part-time Respite Care/Resident Advisor for our group home facilities.

The Resident Advisor will specialize in guiding residents of our Living Program according to their individual educational endeavors.

The Resident Advisor will:

Oversee everyday functioning of the Independent Living Housing.

- The RA will monitor and supervise residents, along with having ongoing collaboration contacts with other public and private agencies.

Responsibilities include:

- Assisting individuals with activities of daily living (examples are personal care, meals, and medication)
- Encourage individuals to participate in community activities.
- Handle general housekeeping tasks and meal preparation.(AS NEEDED)
- Develop opportunities for residents to contribute to household responsibilities and maintenance.
- Be accessible to residents at various times throughout the day, including most nights and some weekends.
- Assist students as they develop the interpersonal skills and individual responsibility.
- Encourage student participation in sponsored programs, student organizations and other activities.
- Work as a member of the staff team to support out-of-class learning opportunities

While providing supervision and support, the Resident Advisor also provides opportunity for each individual to develop and grow towards greater independence.

- Qualifications:
- High school diploma or GED
 - Valid driver's license and acceptable motor vehicle record
 - Clear criminal record and other background checks in accordance with state requirements
 - Ability to pass all required training
 - Ability to convey, understand and follow spoken and written instructions in English
 - Experience preferred, but willing to train otherwise qualified candidates
 - Appropriate and sufficient training in home economics, maintaining children's health and safety, First Aid, Fire Safety, and counseling abused, abandoned, and/or neglected children.
 - Basic computer skills.
