About Acurian:

Acurian is a company that helps people for clinical research studies. We are currently working with pharmaceutical companies and individuals who are willing to participate in research studies in your area. In a clinical research study, the participants may receive an investigational study product or treatment, an injection, or assistance with travel, depending on the study. Study participants receive study-related payments from a clinical research team. For more information, visit www.ResearchforArthritis.com or call us toll-free at anytime - 24 hours a day, seven days a week.
