QR Code Link to This Post Do you or a loved one have Type II Diabetes? If so, you may be eligible for research studies in your area.

Research studies are an important part of developing future treatment options. Without them, progress in medicine would not be possible. Right now, doctors are looking for people with Type II Diabetes to volunteer for local research studies.

There is no cost or obligation to you.  
 No health insurance or referrals needed.

If you qualify and participate in one of these studies, you may receive\*:

- â€¢ Payment which varies by study
- â€¢ No-cost study-related care for length of the study
- â€¢ No-cost study medication

Please respond by 12/25

To see if you qualify for one of these studies visit [www.AcurianResearchStudies.com](http://www.AcurianResearchStudies.com) or call us at anytime - 24 hours a day, seven days a week.

\* In a clinical research study, the participants may receive investigational study product or may receive an inactive substance, or placebo, depending on the study design. Participants receive study-related care from a doctor/research team for the duration of the study. Reasonable payments will be made for participation and the length of the study may.
