QR Code Link to This Post Hello I am looking for a live in house person. I am a professional male seeking a student type M or F 18-30. You can go to school work outside the home all while living rent free. I travel a lot for work so I am gone often. The place is easy to keep clean so you have a lot of free time. This is a serious add. Feel free to email me with questions. Serious only please. This position is based out of Naples. Also willing to work with International folks seeking to stay in US permanently. Main duties are keeping place clean, laundry, grocery shopping light.
