QR Code Link to This Post Are you frustrated for not being further along in your career? Are you tired of glass ceilings, unfulfilled promises and small paychecks?

Thanks for being open to listening!

I am seeking a local individual with the following qualities:

- 1) A burning desire to excel
- 2) A great work ethic
- 3) An open mind and coachable spirit

If you think that this is you, please email me back with your phone number, email address and 1-2 short paragraphs on what makes you unique and how you could benefit our organization. Also include two times over the next few days that you are free to talk.

Please don't just email back asking what this is all about. I will contact you to discuss all of the details
