Don't be fooled by photos copying my technique of showing naturalness!

Don't be fooled by photos that aren't copy written. If you can crop it then its not legit.

The real proof is in the photos!!!

Please do not call to negotiate prices! No negotiations or exceptions.

I ask that you wash and completely blowdry your own hair prior to your scheduled sew in apt. I do not work on dirty hair.

I always use braiding hair when doing sew ins so please provide your own kanekalon jumbo braiding hair.
