QR Code Link to This Post Im looking for a kitchen person to work in small Plymouth pub/tavern.

Bring your food/kitchen knowledge and attention to detail. Must run very clean kitchen and have sanitation certification. You will create user friendly pub menu that can support 35% or less food cost. Menu doesn't have to be hugely creative.... just needs to be an excellent product. Create a limited menu for seating of 50 guests. Reply with some of your history or resume and contact info.

Thank you for your.
