QR Code Link to This Post 32, blk, Gay make in search of roommate... looking for a temporary situation to save money. Last roommate did not work because bills were not being divided equally. I work a full time job, have my own transportation. I do smoke 420 but can in my car. Not looking to live like in prison but do occasionally have company .. quiet , chill, drama free .. 450 is the most I'm willing to spend.... text would be best looking for something ASAP..five//:zero//:48://seven5//:/67/:::: two
