Experienced Bassist / Bass Player looking to join working band to play out on a more regular basis. Been playing off and on since the early 70's. Been in several start-ups/ resurrections, and doing some fill-ins over the last 6 years.

I like variety and have been playing a wide range, from originals to oldies to classic rock to blues to modern day stuff.

Can sing some back-up and harmonize.

Will do fill-ins if needed, just give me a week (or less if I'm familiar with the songs) to work on the set list.

Not interested in spending months in a basement getting ready. Not expecting to become a rock star or get rich doing this (although that would all be nice), just really enjoy performing out in public in a band situation.

Available most nights for the right situation. Easy going and easy to get along with, team player, no substance abuse issues, reliable and serious.

BTW, no charge for auditions.

Send email with phone number and I will contact you back. Thanks
