QR Code Link to This Post This is one of the most elegant and beautiful neighborhoods Minneapolis has to offer, blocks away from Lake of the Isles, surrounded by other magnificent homes, and a great neighborhood atmosphere. While this neighborhood is very quiet and a great place to relax it is mere minutes away from the hustle and bustle of Uptown giving you the best of both worlds, the ability to have a great night out on the town close to home, while also being able to enjoy peace and quiet when you dont feel like it.

The building is a beautiful Duplex with a large basement that could also be used for storage. The landlord is a pet lover so bring your cats and dogs (some restrictions apply due to the insurance company). We are open to lease terms of five months plus, this is a non-smoking building.
