QR Code Link to This Post Large bedroom available in two bed, one bath apartment in the heart of dinkytown! This apartment is very spacious and you are getting the most for the amount of money you would be spending. You would have one male roommate who works a lot, so you would often be home alone! There is a parking spot available for no additional cost. laundry on site. rent is \$500 w/ utilities (just electricity and internet. the rest are worked into rent) I am ideally looking for a student to take over my lease, but someone relatively student aged would be great as well. the bus stop is 15 fifteen feet from the building so that's great for the bus!
