QR Code Link to This Post Lonnie and Lindsay are two young, friendly, inseparable tuxedo boys available for adoption by a local 501 (c) 3 cat rescue group. They were surrendered by someone who said he had too many cats. Maybe he should've gotten them fixed! Well, these two boys have gotten fixed since, as well as vaccinated.

While they are almost certainly not full brothers (Lonnie is a year old and Lindsay is two), they are definitely a bonded pair, so we are trying to get them adopted together. Lindsay seems to be the leader of the two and Lonnie follows him almost everywhere. Their foster mom says, "They're shy at first but warm up quickly, head butting and asking for pets! They love to lay on the couch and have their chins scratched. The perfect pair of tuxedo cats!"

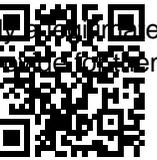

Both have been:

- neutered
- vaccinated against rabies and distemper
- tested negative for FIV and FeLV.
- treated for worms and fleas
- examined by a vet

Their adopter will receive their medical records.

There is a simple adoption process and adoption fee so we can continue to help other cats in need. Their fee has been discounted so we can get them adopted together.

Cats can live up to 20 years, so give careful thought to the changes that are likely to occur in your life during that time. If you can and will commit to these boys and provide a safe, loving home for life, then respond to this ad via email.
