QR Code Link to This Post ‎―I will pay \$250 to anyone who qualifies as a patient for my dental hygiene board exam. I am currently a Foreign dentist and need someone around 20-35 years old who has not had their teeth cleaned in 3-4 years, has all of their lower teeth (no crowns, no wisdom teeth, and no decay/cavities). I will also pay a finders fee of \$50 if you refer someone that qualifies for the board exam and I use them for the board exam. All you would have to do is be screened for eligibility, take x-rays until Dec 15th, and come back for a cleaning on exam day which will be at Palm Beach State College on December 18th from 7 am. It takes around 5 hours. All money to be paid at the completion of the board exam. If you have recent x-rays, please bring them to the screening as it helps to expedite the screening process. Please call me at
