Surrounded by acres of citrus groves, this 3 bed/2 bath home has truly been transformed into a luxurious oasis. Sitting on almost an acre of land, you will find the main house, HUGE workshop/utility barn, and so much majestic green space that has been landscaped and provides plenty of gardening options. Step inside and you are met by the open living area with neutral tones, rich wood floors, and pride-of-ownership is very abundant. The dining room flows seamlessly to the living room and both have ample space for grande furniture sets. The well equipped kitchen has been updated with beveled granite counters, an abundance of custom cabinets, breakfast bar, HUGE walk-in pantry, and newer appliances. Just off the kitchen sits a cozy dinette with french door access to the rear, covered deck. The recently redesigned master suite has ample space for a king set and features a fireplace and dual entry walk-in closet, The attached en suite is top notch with upgraded designer vanity that includes an over counter bowl sink and the shower has been upgraded with gorgeous tile and glass barn door. Across the home in this split floor plan is 2 more generously sized bedrooms with plenty of storage space and access to the 2nd full bath. A utility room provides extra storage and room for full sized machines. Out back the covered patio looks out over the enchanting yard space with meandering oak trees and paver trails. The property is fenced and gated and must be seen to appreciate.
