Bright, bold and loaded with space, this 4 bed, 2.5 bath waterfront pool home is ready and waiting for you. Everything about this home is neatly manicured - from its verdant landscaping and lush lawns, to its interior details like plantation shutters and elegant crown molding. One step through the front door, and you're greeted by its stately living room with soaring ceilings and grand staircase. Ceramic tile and tawny wood-floors span every inch of this home; there's not a single thread of carpet. The incredible amount of space inside (3,100+ sq. ft) is matched by its sprawling backyard with sparkling water views. Fantastic sunsets await you by the home's glimmering, screen-enclosed pool with playful fountains. Enjoy dinner al fresco in the comfort of a covered outdoor dining area, just off the kitchen and family room. All of the home's appliances, including washer & dryer, are included in the sale. Classic comfort and plenty of breathing room await you in each of the home's bedrooms and bathrooms. Enjoy all of this in the exclusive North Shore at Lake Hart community, conveniently located near A-Rated Moss Park Elementary and abundant neighborhood amenities (fitness center, tennis, ball fields, playground and more!) Call to tour the home in-person, or check out our full motion video walkthrough on.
