

1pm till 10pm 7 days a week!

As a rule I have the machine completely cleaned and optimized and back in your hands within 24hrs!

Services available:

- Virus, Spyware and Malware removal
- Windows reinstall
- Password Reset \$25
- Data Recovery-\$40 -I have high end software so powerful I have recovered files that were deleted more than a decade before!
- Power supply replacement \$40

Hardware Upgrades/New hard drives installed and New operating system installed! (\$50) /ram installed (\$25)! Both at once with new os \$60!

I charge \$25 for virus removal and PC clean up and optimization (your PC will run better then the day you bought it!) \$50 for installation of a new operating system unless you have a disk / recovery partition of your own for me to use, then the reinstall is only \$25!

Please give me call and let's solve your PC problems. Ray- 651-33zero-57six nine.
