QR Code Link to This Post Hello, freelance designer seeks work. I will design you a one page epk for just \$50. This is a single page that features your music and releases and tells the world about you. one pages are increasingly popular as affordable, professional and great for artists who are just looking to build their web presence without a lot of maintenance.

You will need a domain and hosting. We can provide you with hosting at a competitive rate.

For more info please.
